Editorial

It's not often I get the chance to congratulate a friend on achieving a milestone, so I'm taking this opportunity to give one of my best friends a very sincere "Well done Mate!" She'll probably be quite cross with me when she reads this as I know she believes strongly in just getting on and getting the job done without patting yourself on the back all the time.

Carol Charlton has lived in the Lilydale District for many years and throughout her time in this community has quietly helped out on many of the boards of our local groups.

Never one to self promote, Carol has ensured that whichever group she was involved with was up to date with the latest information on running their club in a professional way and making the most of any financial opportunities available to them. Carol has served on

the board of the The Lilydale Retirement Homes (for the past 17 years), Tas Regional Arts - Lilydale as president for a substantial number of years, and has been actively involved with the Lilydale Karoola Red Cross and their Meals on Wheels service. She has also been a very active member of the State Board for Tasmanian Regional Arts, for a number of years, and is one of only 2 members from the North.

Last week the members of the state board of Tasmanian Regional Arts recognized her selfless contribution to its success by awarding her a life membership.

Carol has also given up many Saturdays over the past 7 years helping to ensure the Progressive gets out on time and is readable! So once again a hearty Congratulations to you Carol. Keep up the good work, and please don't hit me when you read this!

Tasmanian Regional Arts, Lilydale Branch

An Exhibition of Arts & Crafts.

24th August to 2nd September

The Lilydale Branch of Tasmanian Regional Arts will be joining with over 20 other branches throughout Tasmania by holding an exhibition of work by at least twenty of our local artists and craft persons. This is an event called Living Artist's Week, 2007, organised by Tasmanian Regional Arts and arts @ work, and sponsored by Hydro Tasmania. Our exhibition will be held from 24th August to the 2nd September in the Old Court House. The Lead Artist will be Shelly Macleod and she will be giving a floor talk, based on her work, on Saturday 25th August at 2.00 pm in the Old Library room in the Old Court House. All are welcome.

We are very fortunate to have so many talented people living in and near Lilydale and it is good that we can present the work of some of them, including some up and coming artists as well as those who are of truly professional standard.

A workshop will be held in conjunction with this exhibition on Saturday 1st September. The subject will be Traditional Chinese Painting and the tutor will be Jennifer Scott. Jennifer has over forty years' experience of using and teaching this technique which enables paintings full of life and vigour to be produced without any prior formal training in drawing and painting. This workshop will be free, being funded by Regional Arts, and the specialist materials will be provided. Contact Jennifer on 6395 1048, or e-mail ijscott@aapt.net.au if you would like further information.

Entry to the Exhibition will be free and we plan to have it open from 10.00 am to 4.00 pm on each of the days. Come and see what is happening all around you!

Lions Club News

Our Changeover Dinner was held in early July with Bridport Lions. At the end of the night's formalities our Club members were responsible for providing the entertainment - three short acts about our incoming and outgoing president, Murray Dolbey. I wonder which member was parading around on the stage with a very skimpy item of clothing on? The entertainment was well received by all and provided many laughs for the audience.

A recent donation in July was to the Scottsdale Hospital through the Give Me Five for Kids charity run by Radio 7LA/7SD, a very worthwhile cause.

A website for the Club has been made and can be found at:

www.lilydaletas.net/comgrps/lions/index.htm. Why not check it out and see what we have been up to.

If you are after pulverised cow manure for your spring plantings just give Stephen a call on 63951323 with your order. Guaranteed to work wonders in your garden.

Karoola Playgroup

This term at Playgroup we have had a couple of outings; the first was to the new Kids Paradise. Most of the adults had not been there before and we all had different opinions about it but the children loved it! They were able to play upstairs on the climbing equipment and go downstairs on the big climbing, sliding and jumping inflatable.

We had an outing to McDonalds where the children enjoyed their 'Happy Meals' as well as well as playing on the equipment.

We have been making sheep and it was nice to see all the children join in. Playdoh is on the agenda for next week, so the children can make their own to play with and take home.

In a couple of weeks we are having the 'Big Hall' where we will be having a heap of indoor equipment where the children can play inside out of the weather.

If you are interested in joining our playgroup you will be made most welcome. It is suitable for children from birth to 5 years and their parents or grandparents and we meet every Wednesday at the Karoola Hall (unless we have an outing planned) from 10-12. It costs \$2.50 per family and morning tea is provided for adults (please bring morning tea/lunch and drink for children).

We have a printed schedule of activities for the term, so if you would like us to send you one or if you require any further information about playgroup, please contact us on the numbers below. Otherwise just turn up on Wednesday.

Lilydale CWA Notes

The Northern CWA Group get together, in late June, was enjoyed by over fifty members and hosted by the East Launceston Branch, with interesting guest speakers, games, discussions and fellowship. Our CWA birthday and four members' birthdays were celebrated at Barnogle, Bridport on a bright, sunny winter's day, by the sea and dunes. The company, the prompt service and food was excellent.

Two members attended the Winnaleah-Derby Branch Open Day where the warming food, the singing by the local school choir and interesting displays were greatly admired. Examples of articles made, or collected for donation, to community, or charity were an eye-opener for many. Well done, Winnaleah-Derby!

The Lilydale Branch competed in the Handcraft & Home Industries monthly competition, succeeding with 1st & 2nd in the muffin making, 3rd a covered coat hanger and 3rd a single bloom flower arrangement. Please start practising on your slice skills for next competition.

Our recent soup 'n' sandwich lunch and fun afternoon (very cheap at the special price of \$5.99) was enjoyed by over sixty people at the local Senior Citizens Club in Lilydale. We followed the lunch with a Dutch Auction, board games, puzzles etc. Well, what is a Dutch Auction? We auctioned some mystery parcels at 5 cent bids. For example - "beat the price rise" parcel = 3 pkts of vegie seeds went for about \$2.55, or, "a revival kit" = some tea bags for about \$1.75 and so on. Great fun for all. I would like to thank all the Lilydale CWA members for their great team effort towards a thoroughly enjoyable afternoon.

Lilydale Neighbourhood Watch

Twelve people attended this meeting at the fire station. Our guest speaker was Mr Michael Ferguson who spoke on road safety. It was revealed that of the car accidents reported this year, most have been caused by people crossing to the opposite side of the road. A major cause for this is fatigue. We were told that for some reason Tasmanians do not pull over and rest when feeling weary. Another major factor in car accidents is inattention....people adjusting their radios, CD players or using mobile phones.

Mr Ferguson also talked about Auslink and the 'Roads to Recovery' programmes where the Commonwealth provides money to the States for road improvements and road construction.

Another of Mr Ferguson's concerns is anti-social behaviour in our community. He believes this is due to a lack of respect for others. An example of this type of behaviour was highlighted by Const. Godfrey when he told us that the school oval had been damaged by a person driving their car on it.

Our next meeting, to be held on the 9th August, will be preceded by our AGM.

Our guest speaker will be Const Annabel Shegog from Community Policing. New members are always welcome.

Lilydale Senior Citizens

Our club days: Tuesday & Friday afternoons. All seniors welcome to come along and have a friendly chat and afternoon tea.

Two teams travelled to Perth this week with our Division One team winning the carnival. Congratulations on their wonderful effort.

We are having another carnival on 1st August in the hall. We hope it will be just as successful as the first one, it's a much bigger venue which people seem to enjoy.

Our AGM is being held on 31st July this year, a few days earlier than other years.

Our two tenant teams are playing very well, as they are

still second on the ladder. This is the first year we have entered into the competition.

Four of our club members travelled to Riverside last month which wasn't much fun on these cold and foggy nights.

The first final starts on Monday 23rd and the grand final is on August 1st. Good luck folks.

Don't forget our AGM 31st July at 1.30 pm. All welcome.

See you all next month

Health Notes from the Lilydale Pharmacy Wound Care

The way we now treat wounds has changed. For many years it was recommended that wounds should be kept clean and dry to encourage the quick formation of a scab. It is now known that a scab (made of a dehydrated discharge from the wound) actually delays healing and increases scarring. This is because the regenerating skin cells cannot easily move across the surface of the wound beneath the scab. So dryness is not desired; but cleanliness still is.

Dead skin and foreign materials interfere with the healing process and may lead to infection. We do need to clean the wound, but we want to encourage fast healing, and not delay the healing process.

The routine use of antiseptics to clean wounds is no longer recommended. Some antiseptics are made ineffective by the wound discharge and some antiseptics are toxic to the cells on the surface of the wound, and delay healing. As a general rule, simple washing with warm "normal saline" or clean water from the kettle, will clean most wounds adequately. The pH balanced, soap-substitute skin washes (such as Cetaphil cleanser, Hamilton wash or QV wash) in lukewarm water can be safely used to remove visible dirt, sand or gravel from a wound.

If you're convinced an antiseptic is necessary, there are a couple that are acceptable, and quite a few that are definitely not. Savlon antiseptic solution (Chlorhexidine with cetrimide) is OK. Similarly, povidone-iodine preparations should ideally be diluted 1 to 10 or 1 to 20 with water. If used undiluted, they should be left on the skin for only three or four minutes before washing off.

Hydrogen peroxide can be an irritant, toxic, delay healing and increase the possibility of bleeding.

Repeated daily application of an antiseptic to a wound is only recommended if the wound becomes infected.

Appropriate cleaning of a wound is only the first step to quick healing with no scarring. Correct selection of a wound dressing is also important. Moist wound healing is the preferred method for faster healing with less scarring.

After cleaning the wound, a minor burn or graze may only need a 'Mefix' or 'Fixomul' dressing. This is a soft, air permeable fabric which sticks over the entire wound and is left on for about a week. If it gets wet, just dry it gently with a towel or cool hair dryer. To remove, soak with baby oil, olive oil or other vegetable oil; cover with cling wrap, and leave until it gently peels away.

A weeping wound may need an absorbent, non-stick

pad with the 'Mefix' or 'Fixomul' dressing. 'Compose' or 'Primapore' dressings are the pre-prepared combinations which are very easy to use.

A wound may need some healing gel, (Solugel or Solosite) applied to the wound after cleaning. The healing gel keeps the wound moist while it heals. 'Medihoney' is a specially prepared honey with antibacterial properties. This honey has been shown to enhance wound healing. A dressing is then applied over the healing gel. 'Compose' or 'Primapore' is an appropriate dressing.

If a wound does not need to be checked every day, then a moisture-healing dressing can be used. These have a plastic look and feel, which is waterproof. These dressings are left on for 'a week or a leak' – whichever comes first. Fluid forms over the wound (instead of a scab) and if it leaks out of the dressing it needs to be replaced; otherwise it can be removed after about a week, and it should be healed.

Lilydale Football Club

The under sixteen's are continuing on their winning way with consistently good games from Beau Tuthill, Shane Bardenhagen, Jesse Tuckerman, Jackson Hutchinson, Robert Blair, Kevin Avent, Jack McLelland and Billy Arnold. The rest of the team are all playing good football making a win for the opposition very hard to come by.

The seconds have one each game and at Bridport they did a great job as several of their players went up to the seniors. Assistant coach Phil Whiting coached his first game of the season as Bruce had work commitments. After the game he was seen with a big grin on his face as his boys had played well to defeat Bridport 20-12-132 to 2-8-20 Reuben Towns is starting

to show promise, kicking six goals . Stewart Lockhart kicked five and Scott Brockett three. Best players were Scott Brockett, Aaron Hume, Daniel Stroud, Reuben Towns, Simon Grutzner and Raoul Woods.

The senior game against Bridport was the game we had to have. We have needed a pressure game and the boys came through with flying colours. They were behind with seven minutes to go in the final quarter when Kade Dwyer kicked a goal to put them in front and then went on to win by fifteen points. The seniors have suffered several injuries in the past few weeks and had Kim Curtis, Michael Routledge, Steve Buchanan, Jason Swinton, Zane Patmore, Ben Arnold, Heath Bird, Reece Dunn and Matt Stokes all out against Bridport.

Levi Tuthill played his usual good game but really lifted under pressure when needed in the last quarter, gaining many kicks to be best on ground. The way Levi has been playing he must be looking good for his third best and fairest trophy. Jake Tuckerman did a good job on Stewart Blackwell on the back line and Connor Tuckerman played well in the ruck. Drew Bardenhagen played his best game of so far this year and ever reliable Gary Knight was outstanding in back line. Anthony Viney kicked another bag of goals and Tye Woods also played a serviceable game kicking three goals from centre half forward. This was a good effort by Tye as the players tend to crowd the forward line at Bridport as it is a shorter ground. The remainder of the team played well in a close, hard and physical game. Lilydale were out played by Bridport in the first quarter as they are a bigger and taller team than Lilydale and out marked them all over the ground but after Neville's quarter time speech directing them to kick lower and pinpoint players more often, it allowed our smaller and running players to take the ball down to kick nine goals in the second quarter, but Bridport came back in the third quarter and with aid of the breeze regained the

lead. Lilydale supporters we're starting to panic as they could see the first loss of the season coming up, but the boys dug deep and went on to quieten the Bridport supporters who had been very vocal as they thought they were in for an upset win. Under 18's at Club Functions

The Lilydale Football Club wishes to apologise for the misunderstanding on Saturday July 7th, we were acting on the advice given at the time.

We have now set new rules for further functions listed below:

- The committee has the right to refuse entry to anyone
- No underage drinking in the football club or premises
- Minors are to be accompanied by a parent or *responsible* adult at all times
- Parents and adults have to take full responsibility for minors
- Parents are allowed to accompany their children plus one other child. Responsible adults are to accompany one minor only.
- Any one arriving to functions intoxicated will be refused entry

If this privilege is abused e.g. drinking outside/inside clubrooms you will be asked to leave.

The football club's aim is to make the club a safe and friendly environment for everyone therefore we have to adhere to the regulations in order to keep our liquor licence. The bar is a main source of revenue for the club and if we were to lose our licence it would make it very difficult for us to continue operating. If you would like to clarify any of the rules please feel free to discuss it with us.

Lilydale Football Club & committee

Under Age Football

A busy weekend early in July saw 3 games from combined teams of NEFU juniors in which the Lilydale boys were well represented.

Playing as a curtain raiser to the Devils vs Sandringham game the Under 16's started the ball rolling and had a good win against a NTJFA team. This is the third year in a row that these teams have played for two wins to the NEFU and a drawn game. A cup has now been awarded to the winning team and this appears to be now locked in as an annual event.

The games against Tamar Valley Auskick for the Under 10's and Under 12's is also part of the yearly program but in the last 4 years the NEFU (Under 10's last year) have only been successful in getting their name on one of the shields. In the long term the experience that they get representing their Association could be more valuable than winning or losing. A number of the boys in the Under 16's had their first NEFU games in these

teams.

The Under 10's struggled against a bigger Tamar Valley team with the Under 12's losing a close one by just 2 points.

A number of the players in the Under 12's will meet again in the Primary Schools Country Gold Competition (Grades 5 and 6). In the Country Gold games Lilydale combines with the Tamar Valley Schools and will be competing against the North East players. The East Coast also has a separate team.

The NEFU was able to get Roberts Merchandise to sponsor the Under 16's team, supplying new guernseys and shorts. The aim is to get sponsors for the Under 12's and Under 10's so that they can also take the field in the NEFU colours. Some time in the future it may also be possible to have an Under 14's team to fill the gap in the age groups.

The cup that the Under 16's won will be on display at Roberts Scottsdale store which may be a wise move knowing the rivalry that crops up between the Scottsdale teams from time to time. And it will not do Roberts any harm.

Roberts Merchandise Manager Graeme Woods, together with Greg Parker were the first coaches at Lilydale when the Under 12's started up about 1993. Both of Graeme's sons Raoul and Tye started playing then and this year we see them both back at Lilydale.

One of the pleasing features about the NEFU Junior teams has been how well the boys have combined as a team with only a limited amount of preparation.

On the Lighter Side

I was getting into my car, and this bloke says to me 'Can you give me a lift?'

I said 'sure, you look great, the world's your oyster, go for it.'

Apparently, 1 in 5 people in the world are Chinese. There are 5 people in my family, so it must be one of them. It could be my Mum or my Dad, or my older brother Colin, or my younger Brother Ho-Cha-Chu. But I think it's Colin.

Police arrested two kids yesterday, one was drinking battery acid and the other was eating fireworks. They charged one and let the other one off.

You know, somebody actually complimented me on my driving today. They left a little note on the windscreen. It said, 'Parking Fine.' So that was nice.

My friend drowned in a bowl of muesli. A strong currant pulled him in.

CHANGES TO PARENTS & FRIENDS

A Special General Meeting of the Lilydale District School Parents & Friends Inc was held on Tuesday July 27 to discuss and vote on two special resolutions relating to the organisation's legal status.

The P&F had received advice from various quarters that there are financial savings to be made and greater legal liability cover if the P&F were to change its status from an incorporated body to an unincorporated sub-committee of the School Association (which is itself incorporated).

After a thorough conversation the meeting conducted a secret ballot on Special Resolution 1 – Deregistration of incorporation. This was carried, 27 votes to 5 opposed. Further discussion was held in relation to Special Resolution 2 – Distribution of Assets. This also succeeded, 29 votes to 2 opposed.

This simply means that the P&F ceases to exist as a separate incorporated body. It is an administrative change only, with the P&F continuing as a sub-committee of the School Association, with full and exclusive access to its funds.

The next steps will see the P&F prepare its operating terms of reference for adoption by the School Association. We will provide further advice on this through the newsletter.

As we said at the meeting, this school will continue to thrive with the ongoing support of its parents. We appreciated the attendance and contributions of all parents and friends who attended the meeting and look forward to the continuing participation of parents in our (unincorporated) Parents and Friends.

Community Group Treasurers: Have you been asked to be the Treasurer of your community group? Have you ever held a position like this before? Do you know what your legal responsibilities are? Do you know how to keep a set of books? If the answer to any of these questions is no why not come down to the Centre and find out how to keep a simple set of accounts that will ensure your group is complying with Government reporting requirements.

E-Tax: To help our patrons with their Tax Returns this year we have copies of the e-tax software downloaded at the Centre. If you'd like a copy to use on your computer come along and we can burn it to CD or put it on a flash drive for you. You can also complete your e-tax at the Centre (because of our firewall you won't be able to lodge it electronically but you can print it out ready to post.)

What is e-tax?

- e-tax lets you prepare and lodge online your individual tax return, baby bonus claim and 30% child care tax rebate transfer advice.
- e-tax is a **free** service provided by the Tax Office.
- e-tax is easy to use. In 2006, over 1.6 million individuals lodged their tax return using e-tax.

Am I eligible to lodge an e-tax online return?

If you have:

- lodged a tax return for any of the previous five years (2002 to 2006)
- lodged a refund of franking credits application for any of the previous five years (2002 to 2006), or
- lodged a baby bonus claim for any of the previous five years (2002 to 2006)

You will need:

An original or amended *notice of assessment* (NOA) from one of these years, provided it was issued before 2 June 2007.

Note: From your NOA, you will need **all** of the following information:

- **date of issue** – this can be found on the top right-hand side of your NOA
- **sequence number** – this can be found on the top right-hand side of your NOA, below the date of issue, and
- **your name** – exactly as it appears on your NOA.

If you have not lodged a tax return before:

You will need:

- **your tax file number (TFN)** – you must have been notified of your tax file number before 2 June 2007, and
- **your name** – exactly as it appears on your TFN notification. If you registered a change of name with the Tax Office after your TFN notification but

before 2 June 2007, you may provide your new name.

If you are unable to meet the eligibility requirements, you will not be able to lodge your e-tax return online. However, you can still prepare your tax return using e-tax, print it out and send it to the Tax Office for processing. The processing time will be the same as for other paper returns.

Handy Bits & Pieces - Bread (and you thought it was just for sandwiches!)

Burnt the rice? To get rid of the scorched taste, place a slice of white bread on top of the rice while it's still hot. Replace the pot lid and wait several minutes. When you remove the bread, the burned taste should be gone.

Marshmallows gone stale? Put a couple of slices of fresh bread in a zip lock plastic bag with the stale marshmallows. Leave it alone for a couple of days. When you re-open the bag, your marshmallows should taste as good as new.

Smelly vegies? Hate the smell of cabbage or broccoli cooking? Try putting a piece of white bread on top of the pot when cooking. It will absorb most of the unpleasant odour.

Walls/wallpaper: You can remove most dirty or greasy fingerprints from painted walls by rubbing the area with a slice of white bread. Bread does a good job cleaning non-washable wall paper as well. Just cut off the crust first to minimise the chance of scratching the paper.

Grilling Meat: One way to stop a grease flare up when grilling meat is to place a couple of slices of white bread in your drip pan to absorb the grease. It will also cut down on the amount of smoke produced.

CURRIED CREAM OF VEGETABLE SOUP

1 onion, sliced	1 leek, sliced
2 sticks celery, sliced	2 zucchini, sliced
1 potato, diced	pepper
1 tbs Vegeta (veg stock cube)	salt
1 tbs vegetable curry powder	water

cream

1. Fry onion, celery and leek in a little oil until onion is transparent.
2. Add zucchini, potato, Vegeta, curry powder, salt and pepper and stir to combine, fry another 2 minutes.
3. Pour in enough water to just cover vegetables and simmer until soft.
4. Add 600 ml cream and process until smooth.

IRISH SODA BREAD

2 cups wholemeal SR flour	2 cups SR flour
1 tsp bi-carb soda	600 ml buttermilk
1 tsp salt	

1. Soda bread is just like scones and damper, **DON'T MUCK ABOUT WITH IT**, just mix all ingredients together to a soft dough, knead lightly and shape into two ball shapes.
2. Flatten the balls lightly and mark each into 6-8 pieces with a knife, place on a greased tray.
3. Bake at 210 C for about 35 minutes or until it sounds hollow when tapped. Serve with any soup.
